

2027
Quinte Regional Science and Technology Fair
Expo-sciences régionale de Quinte

Eligibility to Register for the QRSTF (Quinte Regional Science & Technology Fair)

Who Can Register

- **Students in Grades 4–12** The homepage explicitly states: “New to Science Fair? Grades 4–12. Experiments, innovations, engineering studies...”
- Students from **any school in the Quinte Region** (public, Catholic, private, or homeschooled).
- **Any student who is eligible can register without going through a school, mentor, QRSTF or a teacher. If they have any questions about registration they can contact us through the website.**

Project Types Allowed

Students may register projects in:

- **Experiments**
- **Innovations**
- **Engineering studies**
- **Data science / analysis**
- **Environmental or social science investigations**

Key Requirements

- A project must follow QRSTF **safety rules, ethics guidelines, and judging criteria.**
- Students must complete the **official registration form** before the deadline: **March 29, 2027** (as listed on the homepage)
- Projects must be ready for judging on **April 10, 2027.**

Who Should NOT Register

- Students **below Grade 4**
- Students **outside the Quinte Region**
- Projects that violate safety rules (e.g., hazardous chemicals, prohibited biological materials)
- If you have any questions, contact us and we can provide information.
