Parent Information Letter — School Science Fair

[School Name] [Date]

Dear Parents and Guardians,

Your child will be participating in our **School Science Fair**, an exciting opportunity for students to explore scientific inquiry, creativity, and problem-solving. We are proud of the effort students put into their projects and look forward to celebrating their achievements.

Below is important information to help you support your child as they prepare for the event.

About the School Science Fair

The science fair encourages students to:

- Explore a scientific question or engineering challenge
- Apply the scientific method or design process
- Develop communication and presentation skills
- Share their learning with peers, teachers, and families

Projects may include experiments, engineering designs, demonstrations, or research studies.

Key Dates

- **Project completion deadline:** _____
- **School Science Fair date:** _____
- **Location:** _____

What Students Need to Bring

- Completed project
- Display board
- Any materials required for demonstration
- Project summary or logbook (if applicable)

Please ensure any electrical components, chemicals, or special materials are safe and approved by the teacher.

How You Can Support Your Child

- Discuss project ideas and help them stay organized
- Encourage safe and responsible experimentation
- Assist with gathering materials if needed
- Support them in practicing their presentation
- Celebrate their effort and creativity

 Parent Information Letter — Quinte Regional Science and Technology Fair (QRSTF)

[School Name] [Date]

Dear Parents and Guardians,

We are pleased to inform you that your child has been selected to participate in the **Quinte Regional Science and Technology Fair (QRSTF)**. This is a wonderful opportunity for students to share their scientific work with judges, peers, and the broader community. Below is important information to help you prepare for the event.

About the QRSTF

The Quinte Regional Science and Technology Fair brings together students from across Belleville, Hastings, and Prince Edward County. Students present their projects to judges and may be eligible for special awards, scholarships, and recognition.

More information is available at:  www.qrstf.ca  qrstf@live.com

Registration Requirements

Students must complete the **online QRSTF registration form**, which includes:

- Student information
- School information
- Teacher contact
- Project title
- 100-word project summary
- Optional partner information
- Special Award selections

Your child will receive the registration link from their teacher.

Permission Form

A **signed permission form** is required for participation. Please return the completed form to the school by: _____

If you need a copy, contact the teacher or email qrstf@live.com.

Event Details

- **Date of QRSTF:** _____
- **Location:** _____
- **Arrival time:** _____
- **Check-in procedure:** _____

Students should bring:

- Their complete project and display board

2027
Quinte Regional Science and Technology Fair
Expo-sciences régionale de Quinte

- Any approved materials needed for demonstration
- Their project summary/logbook
- A positive attitude and readiness to present!
-

Transportation

Please indicate whether your child will:

- ☐ Travel with the school
- ☐ Be dropped off by a parent/guardian
- ☐ Require special arrangements

How You Can Support Your Child

- Review their project summary and display board
- Ensure all materials are packed and ready
- Encourage them to practice explaining their project
- Celebrate their hard work and curiosity

Questions?

Please contact: **[Teacher Name]** — **[Teacher Email]** or  qrstf@live.com

We look forward to seeing your child represent our school at the Quinte Regional Science and Technology Fair!

Sincerely, **[School / Teacher Name]**
