

Judge Coordinator Job Description

The Quinte Regional Science and Technology Fair Inc. is seeking a person to fill the role of Judge Coordinator. This is a volunteer position that will entail attending monthly 1 hour Zoom meetings, September to June, and being present the night before and the day of the actual Science Fair.

You will be supported by an experienced group of volunteers as you;

- Update our current judges' data base
- Solicit new judges from industry, Loyalist, CFB Trenton and the school boards/
- Acquire enough information from each judge so they can be appropriately assigned to grade and subject level.

Approximately one hundred judges are needed, but this number fluctuates with fair enrolment.

If you feel you would like to assist a dynamic, dedicated group to provide terrific opportunities for students to do original science and technology research, please contact Christopher Spencer cs pencer.qrstf@gmail.com or telephone 613-919-8013. We would love to hear from you.
